Robin Hood Ventures

Robin Hood Ventures is a group of experienced entrepreneurs and accredited investors interested in investing and taking an active role in early stage companies with high return on investment potential. We can invest \$250K to \$500K for a single financing, and will co-invest with other angels or institutions.

Robin Hood Ventures, founded in 1999, takes an innovative approach to angel investing. Member-established direct investment accounts create a pool of investable funds that enable rapid decision-making. Robin Hood's consistent approach to due diligence and deal structuring streamlines the deal process. Robin Hood Ventures invests as a single entity and considers business opportunities that represent the diverse interests and experience of our members.
