

Troubled Times Tool Kit

BioNJ Purchasing Program and Bio Business Solutions

Bioscience companies interested in improving efficiencies by reducing or eliminating costs should review the BioNJ, BIO Business Solutionssm and other programs offered by New Jersey State Government and other institutions.

These include:

BioNJ Purchasing Program

Through BioNJ, member bioscience companies can take advantage of the collective buying power their membership helps create for reduced costs programs for everything from scientific instruments and glassware, to insurance to press release distribution services.
