

Troubled Times Tool Kit

SPONSORSHIP OPPORTUNITIES

Thanks to the contributions from our many members, the BioNJ Troubled Times Tool Kit is intended to be a “living” reference guide that will grow over time, proving our Life Science Company Members with an expanding array of strategies and tactics for weathering and succeeding where others may fail during the current economic crisis.

For those interested in sponsoring the Tool Kit for a higher level of exposure, please call Kathleen Otto at 609-890-3185 or email at KOtto@BioNJ.org.

BioNJ thanks Legal Sponsor Porzio, Bromberg & Newman.
