

2012 Application for Membership

Thank you for your interest in membership in BioNJ! We are singularly focused on the growth and prosperity of New Jersey's rapidly expanding biotechnology cluster. Founded in 1994 by New Jersey biotechnology industry CEOs, BioNJ serves as the voice of biotechnology companies in our State, seeks to advance their economic growth and development and works to encourage new and established companies from around the world to locate to New Jersey. BioNJ represents companies engaged in biopharmaceutical, biomedical, bioagricultural and bioremedial endeavors.

BioNJ's mission is to advance the biotechnology and biotechnology related industries in New Jersey for the benefit of the citizens, the economy and patients of New Jersey, the US and worldwide. BioNJ accomplishes its mission through excellence in:

- Ensuring for the acquisition and availability of appropriate human, capital, and other resources necessary for building successful biotechnology and biotechnology support companies in the State;
- Formulating and advocating policy positions to elected officials, regulators, the media and general public;
- Enhancing global awareness and appreciation of New Jersey's talent, experience and resources.

Membership Categories (Please check one.)

- **Leadership Member:** Organizations that affiliate with BioNJ at the highest level of support become our most esteemed partners and associates in the work of advancing the health of the biotechnology industry and the awareness of the most important industry in New Jersey. Annual dues are \$50,000.
- **Diamond Member:** Organizations that elect to become Diamond members of the Association make a clear commitment and investment in the growth of the biotechnology industry in NJ by supporting legislative and regulatory efforts, life science business activities, business networking and education. Annual dues are \$25,000.
- **Platinum Member:** Organizations that chose to become Platinum members demonstrate their interest in fostering the growth of biotechnology in NJ along the entire spectrum of activities supported by the Association. Annual dues are \$12,000.
- **Core Member:** Any corporation, partnership, association or other entity, with research and development activities that principally involve biotechnology or pharmaceutical research and development, manufacturing, diagnostics, drug discovery and technology transfer is eligible for Core Membership. These members have voting rights. Dues are based upon the total number of people employed by the company. Annual dues are: \$250 for up to 10 employees for the first year (\$500 thereafter); \$1,000 for 11-20 employees; \$1,500 for 21-50 employees; \$3,500 for 51-99 employees; \$5,000 for 100-200 employees; and \$6,000 for greater than 200 employees.
- **Associate Member:** Any corporation, partnership, association or other entity with a substantial portion of business activities involving the provision of services or products of benefit to companies whose principal business is biotechnology, is eligible for Associate Membership. Dues are based upon the total number of people employed by the company. Annual dues are \$500 for fewer than 3 employees, \$750 for 3-10 employees; \$1,500 for 10-50; \$3,000 for 51-99 employees; \$4,000 for 100-199 employees; \$5,000 for 200-299 employees and \$6,000 for greater than 300 employees.
- **Institutional Member:** Any non-profit institution not generally eligible for Core Membership, working in support of biotechnology, is eligible as an Institutional Member. Annual dues are \$1,000.
- **International Member:** Any foreign enterprise, non-profit or government organization that does not have a USA presence is eligible for International Membership in order to support and interact with the New Jersey biotechnology community and use New Jersey as a landing pad for regional USA business development and exploration. Annual dues are \$1,000.
- **Individual Member:** This category is reserved for individuals with no company affiliation only. Annual dues are \$100.
- **Student Member:** Any student currently enrolled in college or graduate school with an interest in biotechnology is eligible for Student Membership. A copy of a student I.D. must accompany the application. Annual dues are \$50.

Statement of Support of BioNJ Principles

BioNJ membership is available only to bona fide organizations that promote biotechnology research and support the growth and development of the biotech industry; and to organizations with public policy positions and business practices that are generally consistent with BioNJ's reputation and its policies and principles in support of innovation, including intellectual property, as determined by the Board of Trustees. BioNJ reserves the right to review applications for membership to confirm that the applicant meets these criteria for membership and for the specified categories of membership as per BioNJ's bylaws. BioNJ may, in its sole discretion, reject an application for membership or elect not to renew a membership.

I, _____, on behalf of _____ (hereafter "Company"), affirm that Company generally supports BioNJ's public policy positions, and that the positions and business practices of Company are generally consistent with BioNJ's reputation and its policies and principles in support of innovation, including intellectual property.
